## Games to Brands: Discovering the world of Creative & Digital Media

The High Tide Foundation

# high tide

The High Tide Foundation creates opportunities for young people to enhance their career education. The foundation has many years experience in providing `life changing` work experience to young people and the opportunities cover a range of different sectors from Law, Finance, Engineering, Media, Shipping, Automotive and many more.

The Creative Media industry is responsible for all the TV shows you watch, video games you play and adverts you see everywhere. Tees Valley hosts some of the world leaders in Creative Media with opportunities available to you!

This opportunity will connect you with some impressive Creative Media firms where you will discover the breadth of opportunities available to you.

You will work on tasks teaching you how to use creative media along with cutting edge technology such as Virtual Reality, 3D animation and interactive marketing!

- **Duration** 3 Days, 22nd—24th June 2021
- **Industry** Media
- **Department(s)** Media, IT, Creative
- **Closing Date** 04/06/2021

## Insight Day for Careers in Music

Available June 4th 2021

2 hour session 10:00-12:00

Calling all aspiring musicians who want to know more about music careers!

The Army is the largest employer of full time musicians in the UK. Their musicians have a diverse and fulfilling career, playing in contemporary ensembles, string orchestras, jazz bands, brass bands, marching bands and more - at many of the UK's highest profile occasions.

Join Army Music for an insight into the life of professional musicians including:

- Interviews with musicians
- Practical session on the psychology of music: controlling nerves for auditions and performance.
- Mini-masterclass: right practice – how to squeeze the most out of instrument practice time.

There is no minimum grade requirement nor prior knowledge of the Army required.

### Veterinary Work Experience

Kickstart your career in veterinary science today. Gain the skills and insight you'll need by completing this virtual work experience programme. Get a clear understanding of what working in the industry will actually look like, complete real work and assignments and interact with industry professionals during live webinar sessions. Upon completion you will receive a certificate to add to your CV and/or personal statement.

The veterinary industry is one of the most rewarding fields to work in, centring around the diagnosis and treatment of all animals from household pets to wild roaming species. It's a fascinating industry that can open a lot of doors and even lead to setting up your own veterinary practice.

That's why this virtual work experience programme will leave no stone unturned. From understanding how to get started in the industry to discovering the range of skills required, you'll learn a whole range of crucial topics you'll need for your career.

**Students aged 14-18 are welcome to apply. This programme will take place between June 1st and June 11th. The application deadline is May 24th and all applicants can expect to hear back on May 26th.**
