Speakers for Schools—virtual work experience opportunities

Jackson Civil Engineering

'Insight Session - 2 - 4pm, 21st June 2021—Closing Date: 31st May. Ever wondered how large infrastructure projects like flood defences, roads and bridges get built?

At the heart of these impressive schemes are an array of skilled technical and non-technical professionals who work in the civil engineering sector. Our session will take a look inside the world of civil engineering and examine the whole lifecycle of a project: from the early negotiations, planning and design; through costing and estimating the resources required; to on-site delivery and construction.'
