## INDUSTRY INSIGHTS

### New virtual careers event for schools and colleges 24-28th January 2022

YourGamePlan and Campus Media have teamed up to deliver a week of daily live sessions for students across England about a range of career opportunities. These sessions are appropriate for year 10-13 students and will explore regional career opportunities across a range of industries.

The sessions will provide the following:

- Explore a range of opportunities for school leavers including different types of apprenticeships, traineeships, and university opportunities
- Explore a range of industries with leading employers from all regions of England
- Interact with regional employers from the classroom over a video stream
- Help educate young people about their career options
- University experts sharing information about a degree pathway into the industry
- Support schools and colleges to achieve the Gatsby Benchmarks and Ofsted Personal Development Criteria

More information, please contact [Emma@yourgameplan.co.uk](mailto:Emma@yourgameplan.co.uk)

## Free STEM Mentoring Programme for young women and non-binary people aged 15 to 25 (Stemettes)

A new organization called Stemettes has been set-up to inspire and support young women and non-binary people between 15 and 25 years of age into Science Technology Engineering and Mathematics (STEM) careers.

Holding **free** intersectional programmes, impactful events and inspirational content platforms. One such programme is the **Student to Stemette Programme** which **connects young women and non-binary people aged 15 to 25 with mentors working in STEM**.

Applications are now open for upcoming cohorts which are sponsored by Deutsche Bank, Standard Chartered and Mercedes F1 team. These cohorts are **open to all state-educated young women and non-binary people aged 15 to 25 regardless of their academic background**. As long as an applicant is passionate about STEM, they will be paired with a mentor.

More information about the programme is available here: <https://stemettes.org/sts/student-to-stemette/mentee/>

### The Grads in Games University Open Day Sat 2nd October 10-4pm

This non-profit organisation set up to help young people pursue a career in the video games industry. On 2nd October, a free event is taking place, specifically designed for students aged 16-18 who will be applying to university in the near future. Our online University Open Day event is an opportunity for students and their parents to speak to over 20 different universities that offer games degrees.

For those students who have an interest in studying for a career in the video games industry, this can prove to be a vital resource when it comes to putting together UCAS applications in a few months time.

All students are welcome to attend, registration is open now and you can find out more on the link below.
